ORDER AFFIRMING REPORT AND RECOMMENDATION

This action for judicial review of the Commissioner's denial of disability insurance benefits was referred for initial proceedings to United States Magistrate Judge Shon T. Erwin, consistent with 28 U.S.C. § 636(b)(1)(B). Judge Erwin entered a Report and Recommendation on August 2, 2010, recommending that the decision of the Commissioner be affirmed. Plaintiff, through counsel, has timely filed an objection to this report, and the Court therefore considers the matter de novo.

Plaintiff raises no dispute to the facts set out in the Report and Recommendation; rather, he merely reurges and reargues the application of the law to those facts. There is nothing asserted by the Plaintiff which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts and affirms, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons stated therein, the decision of the Commissioner in this case is affirmed. A judgment will enter accordingly.

IT IS SO ORDERED this 20th day of September, 2010.
